1 CHAIRMAN GREEN: The next item on the
2 agenda is such other business as may be
3 properly brought before this Commission.
4 I just want, for the record, to note
5 that on Friday of this week, April 29th,
6 there will be a continuation of hearings in
7 the Finance Committee and Transportation and
8 Public Utilities Committee regarding PGW's
9 Diversification Study. That hearing will be
10 this Friday at 9:00 a.m.
11 Information has been sent out
12 previously through the City Council process
13 for those who are interested in testifying.
14 We will continue to focus more on
15 some of the ideas that came out of the
16 Diversification Study in reference to how
17 those issues can be implemented in reference
18 to PGW, focusing on things like geothermal,
19 which has been discussed today, as well as
20 some of the other ideas that were in the
21 Diversification Study.
22 So we'll have that hearing, once
23 again, this Friday at 9:00 a.m. in the
24 Finance and Transportation and Public

1 Utilities Committee.
2 There being no further business to be
3 brought before this Commission, I direct the
4 Gas Commission Staff and assigned counsel
5 from the Law Department to prepare the
6 necessary orders and resolutions that result
7 from today's meeting.

8 The meeting is adjourned. Thank you,
9 everyone.

10 ---

11 (Whereupon the meeting adjourned at
12 11:07 a.m.)

13 ---
